MEMORANDUM FOR THE DIRECTOR

25X1

[] called this morning and we had a brief talk about his future work here. He apparently understood that he is to work in Washington and has taken an apartment here. From what he told me, I gather that the last suggestion made to him was in regard to his being on the Board of Estimates.

25X1

[] will call to see you at 11:45 AM on 14 April. He left with me a copy of his order of retirement effective as of 31 March 1952. I have sent this on to DD/A.
